APPENDIX II.

[Vide answer to starred question No. 246, asked by Sri G. Krishnamoorthy at the meeting of the Legislative Council held on 23rd August 1961, page 40 supra.]

RULES RELATING TO THE TRANSFER OF TEACHERS UNDER LOCAL BOARDS.

Transfer within a Local Body.

1. *District Boards.*—Teachers in District Board Elementary Schools shall not ordinarily be transferred. Where transfers are considered necessary, the District Educational Officers are consulted by the Special Officers of District Boards before the transfers are ordered. Travelling allowance is paid in every case of transfer of a teacher employed in elementary school, unless the transfer is ordered at his request.

2. *Municipal Councils, Panchayats and the Madras Corporation.*—Since the area under the jurisdiction of each of these local bodies is compact and small, the teachers serving in one school under a local body can be transferred to another school under the same body according to the exigencies of service. No rules have been framed in this regard. The matter is left to the discretion of the Executive Authority.

23rd August 1961]

8. *Panchayat Union Councils.*—No rules have yet been issued in the matter. It is however proposed to empower the Education Committee of the Panchayat Union Council to consider and decide the proposals for annual general transfers, which will be prepared by the Panchayat Union Commissioners. Casual transfers will however be ordered by the Commissioner wherever necessary during the course of the year, statements relating to such transfers being placed before the Education Committee for information at the meeting of the Committee convened after each such transfer.

Transfers from one local body to another.

1. The Government have power to transfer a teacher under the service of any District Board, Municipal Council, Panchayat or Panchayat Union Council to the service of any other District Board, Municipal Council, Panchayat or Panchayat Union Council in the State provided that the power shall be exercised only after consulting the concerned local bodies.

2. The power of the Government to transfer a teacher under a Panchayat Union to the service of any other Panchayat Union or Municipality has been delegated to the Collector in respect of transfers within a district and to the Additional Development Commissioner in respect of inter-district transfers.

APPENDIX III.

[Vide answer to starred question No. 247, asked by Sri S. K. Sambandhan at the meeting of the Legislative Council held on 23rd August 1961, page 41 supra.]

A.—(*a*) The information is given in the statement in the Annexure.

(*b*) The Collectors assess the requirements of fertilizers in the districts according to the acreage and dosage recommended by the Agricultural Department or on the basis of the off-take in the previous years and the seasonal conditions anticipated and place firm indents with the Board of Revenue. With reference to these indents, the Board of Revenue makes suitable allotments to the districts taking into account the various factors such as the quota allocated by the Government of India, the time of supply, the existing stock position and any representations from the Collectors. This system ensures that the requirements of a district are reasonably met having regard to the limited allotments made by the Government of India to the State.

ANNEXURE.

Statement showing the quantity of chemical fertilizers allotted to each district for the period from April to September 1960.

District.	April 1960.				May 1960.				June 1960.				July 1960.				August 1960.				September 1960.
